Please see the following Questions & Answers:

Are all three devices going to be located at 3210 Monroe Street? Can you identify the brands and models of the devices that are being replaced?

All three devices will be in our print shop at 3210 Monroe Street. The machines we are replacing are Xerox WC5765.

Verification that the response about copy volume is accurate:

The information provided on copy volume is accurate. These are production machines, hence the need for the additional paper drawers and memory included in the specs.
