Ms. Anita Lopez  
Auditor, Lucas County  
Secretary of Data Processing Board  
One Government Center  
Suite 600  
Toledo, Ohio 43604-2255

Dear Ms. Lopez:

The Sixth District Court of Appeals requests approval from the Data Processing Board to upgrade its network infrastructure with the replacements of two network switches, which are several years old, and to install wireless internet throughout the courthouse at One Constitution Avenue. This project has been coordinated with and approved by Jason Gears, Director of Lucas County Information Systems.

I am asking for approval of \$16,672.03 to complete this project and funds will be available in the Court of Appeals budget equipment fund No. 1010-5115-530100.

The purchase will be made with Logicalis on the Ohio State Term Schedule and the quotation is attached for your review.

We, therefore, ask that you place the court's request on the agenda at the next Data Processing Board's meeting.

Thank you for your assistance in this matter.

Sincerely,

Jason A. Hill  
Court Administrator
