The grantor of the property referred to above states that the property has qualified for the current agricultural use valuation exemption under Ohio Revised Code section 5713.31 for the preceding or the current tax year. The grantee has been made aware prior to the closing that if the property does not continue to so qualify, either for the current or for the succeeding tax year, it will be subject to a recoupment charge equal to the tax savings as described in R.C. sections 5713.30 and 5713.34. Furthermore, the grantor and the grantee have considered and accounted for the total estimated amount of such recoupment, if any, to the satisfaction of both the grantee and the grantor.
