RULE 17

RULE 18
MEDIATION

18.01 Procedure.

- (A) It is the policy of the Court that mediation be attempted when practicable in all pending and post-divorce cases where there are contested issues. Mediation shall be conducted pursuant to the Ohio Uniform Mediation Act, effective January 1, 2020. The R.C. 2710 “Uniform Mediation Act” (UMA), including all definitions found in R.C. 2710.01, are incorporated by reference and adopted by this Court through local rule. Any Judge, Magistrate or court counselor may refer parties to mediation of any issue concerning parental rights at any time during the proceedings. Additionally, the Court may issue an order to mediate upon the motion of counsel or upon the request of a party. In any case where there has been a finding of domestic violence, the Court will determine whether mediation is appropriate, and if so, under what terms and conditions. If the mediation is conducted by the Court Counseling Department, there will be a fee of Fifty Dollars (\$50.00) which shall be divided equally between the parties unless otherwise directed by the Court.

If the parties to a mediation so desire, they may have their attorneys and/or other designated individuals accompany them and participate in mediation. All attending parties will be required to sign the Court’s mediation consent form. The mediator may refer parties to seek legal advice or other support services as needed.

- (1) Mediation is prohibited in the following:
- (a) As an alternative to the prosecution or adjudication of domestic violence;
 - (b) In determining whether to grant, modify, or terminate a protection order;
 - (c) In determining the terms and conditions of a protection order;
 - (d) In determining the penalty for violation of a protection order.
- (2) Nothing in this division shall prohibit the use of mediation in a subsequent divorce or custody case, even though that case may result in the termination of the provisions of a protection order.

- (B) Any case referred to the Court Counseling Department for mediation will be screened for domestic violence prior to beginning the mediation and throughout the mediation as necessary. In any case where there has been a finding of domestic violence, the Court will determine whether mediation is appropriate, and if so, under what terms and conditions. In cases where a party has been convicted of stalking, domestic violence, or child abuse, the Judge or Magistrate referring a case for mediation will provide specific findings of fact that both parties wish to participate in mediation and that the mediation would be in the parties' best interest, pursuant to R.C. 3109.052.

When domestic violence or fear of domestic violence is alleged, suspected, or present, mediation will only take place under the following conditions:

- (1) The mediator has completed "Specialized Domestic Abuse Issues and Mediation Training" approved by the Ohio Supreme Court Dispute Resolution Section.
- (2) The alleged victim is fully informed about the mediation process, his or her right to decline participation in mediation, and his or her right to have a support person present.
- (3) The Court and the mediator determine that the parties have the capacity to mediate without fear of coercion or control.
- (4) Appropriate security measures are in place to provide for the safety of all parties involved in the mediation.
- (5) The mediator will terminate mediation if he or she believes there is a continued threat of domestic violence or coercion between the parties.

18.02 Agreements.

Prior to the conclusion of the mediation process, the mediator will prepare and the parties will review a mediation report. That report will state whether an agreement was reached. If an agreement was reached, the report will state the content and details of the parties' agreement and both parties will sign the agreement. The agreement will be binding and enforceable upon the parties.

18.03 Confidentiality.

All disclosures made by parents or information received from any source or person during mediation shall be deemed confidential and the mediator shall not be required to disclose any statements or discussions which occurred during mediation, unless all parties and mediator consent to disclosure. The foregoing confidentiality requirements shall not, however, be construed to exempt any person from the statutory duty to report child abuse pursuant to R.C. 2151.421, statements that a felony has been or is being committed, violent acts that occur during mediation, and threats of harm to other people. All non-party participants submit to the Court's jurisdiction to enforce this rule.

18.04 Qualifications.

Any mediator employed by the Court, or with whom the Court makes referrals, shall have the following minimum qualifications:

A mediator shall avoid self-dealing or association from which the mediator might directly or indirectly benefit, except from compensation for services as a mediator.
- (2) Upon becoming aware of any actual or apparent conflict of interest, a mediator shall notify the parties as soon as practicable.
- (3) The requirements of this rule are in addition to and do not supersede the requirements of R.C. 2710.08. Wherever a conflict exists between this rule and R.C. 2710.08, the statute shall control.

Any mediation participant may submit written comments, complaints, or feedback regarding the performance of mediators receiving referrals from the Court to the Director of Court Services.

- (B) If the matter was docketed in the Juvenile Court, the moving party shall file their motion in the Juvenile Court and request that the matter be assigned for hearing in the Domestic Relations Court. All pleadings shall be captioned in Juvenile Court and shall contain both the Juvenile Court and Domestic Relations docket numbers. An Order of Reference shall be obtained from the Juvenile Court.

RULE 24
QUALIFIED DOMESTIC RELATIONS COURT ORDER

This rule applies to Qualified Domestic Relations Court Orders (QDRO) and Division of Property Orders (DOPO).

24.01 Preparation.

- (A) The alternate payee entitled to the pension or retirement plan shall be responsible for the preparation and payment for the Qualified Domestic Relations Court Order (QDRO) for submission to the Court.
- (B) Whenever the parties agree to divide a pension or retirement program by a QDRO, they, or their counsel, shall sign and approve the original of a QDRO submitted to the Court, and shall sign and approve any subsequent QDRO submitted to the Court, unless waived by the Court.
- (C) If the Court ordered a division of a pension or retirement program, the Court may assign the responsibility to submit the QDRO to the Court.
- (D) The final judgment entry shall contain a date certain by which the QDRO shall be submitted to the Court. The date certain shall not exceed ninety (90) days from the date of filing of the final judgment entry.
- (E) All QDROs shall contain the following mandatory language:

“The pension participant shall not act, or refuse to act, in any manner that could diminish the alternate payee’s right to the plan benefits assigned in the pension division order. If the participant does take such action or inaction, the participant shall make payments directly to the alternate payee to the extent necessary to restore the alternate payee to the position they would otherwise have been in without the participant’s action/inaction.”

24.02 Assumptions.

- (A) Unless otherwise agreed, a QDRO for a defined benefit plan shall contain the following provisions or shall be governed by the following assumptions:
 - (1) The QDRO will be a separate interest QDRO, meaning the alternate payee’s benefits shall be independent of those of the participant.
 - (2) The division of benefits shall be based on the language of the case of *Hoyt v. Hoyt*, 53 Ohio St.3d 177 (1990) and its progeny.

- (3) The benefits assigned to the alternate payee shall include any and all temporary and supplemental benefits. Further, the benefits assigned to the alternate payee shall include all early retirement subsidies and should the alternate payee commence receipt of benefits prior to participant's retirement the alternate payee's benefits will be recalculated to reflect the subsidy.
 - (4) The alternate payee will be deemed to be the surviving spouse of the participant to the extent of benefits assigned for the purpose of a pre-retirement survivor annuity.
 - (5) The division of the benefits will be the date of the final hearing of the case.
- (B) Unless otherwise agreed, a QDRO for a defined contribution plan shall contain the following provisions or be governed by these assumptions:
- (1) The division of benefits will be the date of the final hearing of the case.
 - (2) The alternate payee's share of the benefits shall be credited with investment earnings and/or losses from the date of division until distribution.
 - (3) The QDRO will allow an immediate lump sum distribution of the alternate payee's benefits.
 - (4) Any loans from the plan shall be charged to the participant's benefits and will remain the obligation of the participant.
 - (5) The alternate payee's share of the benefits will not reflect any credit for sums deposited into the plan after the date of division which are based on service for periods prior to the date of division.

24.03 Mandatory Language.

In all cases in which a Qualified Domestic Relations Order is to be issued, the final judgment entry shall contain the following language:

- (A) "The Court retains jurisdiction with respect to the Qualified Domestic Relations Order to the extent required to maintain its qualified status and the original intent of the parties. The Court also retains jurisdiction to enter further orders as are necessary to enforce the assignment of benefits to the non-participant as set forth herein, including the recharacterization thereof as a division of benefits under another plan, as applicable, or to make an award of spousal support, if applicable, in the event that the participant fails to comply with the provisions of the order."
- (B) "The participant shall not take actions, affirmative or otherwise, that can circumvent the terms and provisions of the Qualified Domestic Relations Order, or that may diminish or extinguish the rights and entitlements of the participant and/or alternative payee."

RULE 25

25.03 Filing.

The Order shall be signed by the Administrative Judge of the Domestic Relations Court and shall be filed with the Clerk of Court who shall record the entry upon the Court's Special Docket. Thereafter the Clerk shall accept a file-stamped copy of such order as satisfying the requirements of Civ.R. 4.1 for the designation by the Court as a person authorized to make service of process.

RULE 26
**PHOTOGRAPHING, RECORDING AND BROADCASTING
COURT PROCEEDINGS**

26.01 In compliance with Sup.R. 12, the Court shall permit the broadcasting, televising, recording or photographing of court proceedings. The term "proceedings" shall be understood to apply to public hearings by the Court.

- (A) Request for permission to broadcast, televise, record, or photograph in the courtroom shall be made in writing to the Domestic Relations Court Administrator as far in advance as reasonably practicable but in no event later than twenty-four (24) hours prior to the courtroom session to be broadcast, recorded or photographed unless otherwise permitted by the Judge for good cause shown. Request forms may be obtained from the Court Administrator's office.
- (B) The Court Administrator shall immediately inform the Judge assigned to the case of the written media request. The Court Administrator shall also immediately inform the attorneys for all the parties in the case of the media request. If time does not permit notification by mail then telephonic means or notification in person must be attempted. The intent of this rule is to allow attorneys for all parties an opportunity to be heard prior to the Judge deciding the media request.
- (C) In the event the Judge approves the media request, the Judge shall prepare and sign a journal entry setting forth the conditions of media broadcasting, televising, recording or photographing. This entry shall be made a part of the record of the case. Sup.R. 12 and this rule shall govern the Judge's granting of the media request.
- (D) In the event of a continuance of the Court proceeding requested to be broadcasted, televised, recorded or photographed for a period of more than thirty (30) days, a new media request shall be required.
- (E) Any equipment which is non-portable shall be set up and ready for operation prior to the commencement of morning or afternoon Court sessions. In no event will persons be permitted to bring equipment into the courtroom during trial unless such equipment can be easily carried by a single person and without causing distraction or disturbance.

- (F) No media recording or proceedings in the Judge's chambers or accesses thereto shall be permitted except with the express permission of the Judge.
- (G) The Judge, counsel, and witnesses shall not address any remark to or via the media when the Court is in session. In all respects, the trial shall proceed in exactly the same manner as though there were no media recording in progress.
- (H) No media recording shall be made of any document or exhibit before or after such document or exhibit is admitted into evidence, except those which are clearly visible to spectators, e.g., maps, charts, blackboards, etc.
- (I) Permission for media recording shall in no way diminish the ethical requirements applicable to Judges and lawyers respecting comments or the release of information relating to a case in progress.
- (J) Sup.R. 12 is incorporated herein by reference and adopted into this rule.
- (K) All media representatives shall be properly attired in the manner which reflects positively upon the media profession. Proper courtroom decorum shall be maintained by all media representatives.
- (L) No personal recording devices shall be permitted in the courtroom.

RULE 27 COURT SECURITY

In order to maintain appropriate security for the public and Court personnel, the Court may require that all persons entering the Courthouse shall submit to a search of their person or property.

- 27.01** No weapons or other instruments which may cause bodily harm may be permitted in the Courthouse.
- 27.02** It shall be the duty of the Court Administrator to supervise and maintain all security in the Courthouse.
- 27.03** Court Security Plan.

The Court hereby adopts the Court's Security Plan as required by Sup.R. 9.

RULE 28 CASE MANAGEMENT

Pursuant to the Rules of Superintendence, an automated case management system shall be established to achieve the prompt and fair disposition of all cases, provide the Court with an efficient means of controlling case flow, and provide the Bar with information and case management facilities.

- 28.01** Filing of Complaint.

Upon the filing of a complaint, the Clerk of Court will attempt service upon the Defendant by certified mail. Once proof of service has been obtained, the Clerk will notify the Assignment Commissioner of the date of service. The Assignment Commissioner shall classify the action as uncontested divorce, contested divorce or dissolution. All divorces shall be initially classified as uncontested until such time as the Clerk of Court notifies the Assignment Commissioner that an answer has been filed. Upon receipt of this notice, the matter shall be classified as a contested divorce. Once the action has been classified, the matter shall be set upon the appropriate docket of the assigned Judge.

(A) Uncontested Divorce.

An uncontested divorce shall be scheduled for initial hearing not earlier than forty-two (42) days after service has been perfected. An uncontested divorce with children shall be concluded no later than eighteen (18) months after the complaint has been filed. An uncontested divorce without children shall be concluded no later than twelve (12) months after the complaint has been filed.

(B) Contested Divorce.

An action classified as a contested divorce shall be scheduled for initial hearing (pre-trial) not earlier than fifty-six (56) days nor later than one hundred nineteen (119) days after the complaint for divorce has been filed. A contested divorce with children shall be concluded no later than eighteen (18) months after the complaint has been filed unless the issue or issues are unduly complicated. A contested divorce without children shall be concluded no later than twelve (12) months after the complaint has been filed.

(C) Dissolution.

An action classified as a dissolution shall be scheduled for hearing not earlier than thirty (30) days nor later than ninety (90) days after the filing of the petition for dissolution. A dissolution with children shall be scheduled for hearing not earlier than forty-five (45) days nor later than ninety (90) days after the filing of the petition for dissolution.

(D) Case Management Conference.

The first hearing (pre-trial) date given by the Assignment Commissioner shall be considered the case management conference. Attorneys for parties and any self-represented party served shall be given notice of the Case Management Conference. Attorneys and parties, if required, shall appear with full authority to settle. Whether the parties are required to attend the Case Management Conference is subject to the policy of the assigned Judge.

(E) Trials.

The procedure regarding matters that are set for trial is subject to the policy of the assigned Judge. In any event, attorneys and parties shall attend a settlement conference no later than the day before the trial or at an earlier date designated by the assigned Judge. The purpose of the settlement conference is to resolve all matters in dispute thus alleviating the necessity of a trial.

(F) Continuances.

Continuances of matters placed upon the docket of the assigned Judge shall only be granted upon the approval of the assigned Judge. Continuances shall be made by written motion and only granted upon a showing of good cause.

(G) Motions.

(1) Affidavits.

Each Monday requests for temporary orders filed pursuant to Civ.R. 75(N) shall be considered by a Magistrate. All affidavits shall be scheduled for hearing no sooner than seventeen (17) days after the request has been filed on the next available affidavit docket.

(2) Pending Motions.

All pending motions filed with the Court shall be placed upon the docket of a Magistrate unless otherwise directed by the assigned Judge. Pending motions shall be set for hearing no later than five (5) weeks after the motion has been filed. All pending motions shall be concluded no later than twenty-four (24) weeks after the motion has been filed.

(3) Post-decree Motions.

All motions filed after a decree of divorce or dissolution has been entered shall be placed upon the docket of a Magistrate unless otherwise directed by the assigned Judge. Post-decree motions shall be set no later than five (5) weeks after filing. Motions for modifications of the allocation of parental rights or parenting time shall be concluded no later than nine (9) months after filing. Motions for support shall be concluded no later than twelve (12) months after filing. All other post-decree motions shall be concluded no later than six (6) months after filing.

28.02 Alternative Dispute Resolution.

The Court may, at any time during the pendency of an action, require that the parties participate in alternative dispute resolution.

28.03 Privacy Provisions.

- (A) A completed Schedule I shall include the social security numbers of both parties. All schedules shall be placed in a privacy envelope maintained by the Clerk of Court. All documents which contain personal identifiers of the parties shall be placed in the same privacy envelope.
- (B) Upon the entry of the social security numbers of the parties upon the record, the Clerk of Court shall redact the social security numbers from the pleadings. All subsequent motions or pleadings shall contain only the last four digits of the social security number.
- (C) It is the sole responsibility of the counsel of record or party to the action to assure the omission of personal identifiers from any document filed with the Court. Any request to restrict public access to information containing personal identifiers must be by written motion. The Court may schedule a hearing upon the filing of a motion to restrict public access.
- (D) Any request for access to restricted information shall be by written motion and shall set forth the reason for the request. The Court may schedule a hearing to determine whether to permit public access to the case document or information.

28.04 Interpreters.

At the request of counsel or a self-represented party, the Court shall provide a language or sign language interpreter at no cost to the party. The Assignment Commissioner shall provide a Request for Interpreter form to be completed and returned to the Assignment Commissioner not less than twenty (20) days prior to the scheduled hearing dates or court counseling appointments. It shall be the responsibility of counsel or a self-represented party to notify the Assignment Commissioner of any change in hearing dates. Failure to comply with this rule may result in counsel or the self-represented party reimbursing the Court for related fees.

RULE 29
ELECTRONIC DEVICES

29.01 The Court may require that any or all electronic devices, including, but not limited to, cell phones, laptops, notebooks, be turned off in any area of the Courthouse.

29.02 Failure to comply with the requirement to turn off any electronic device may result in a finding of contempt, confiscation of the device, fines or expulsion from the Courthouse.

RULE 30

30.01 Document Requests.

Requests for documents other than regular case documents held as public court records by the Clerk of Court shall be subject to Rules of Superintendence 44-47. Requests shall be submitted to the Administrative Judge.

APPENDIX B

November 15, 2015

ALLOCATION OF PARENTAL RIGHTS AND RESPONSIBILITIES

LOCAL PARENTING TIME SCHEDULE

**COURT OF COMMON PLEAS OF LUCAS COUNTY, OHIO
DIVISION OF DOMESTIC RELATIONS**

If the Court order or decree indicates that the Court schedule is the order for parenting time, then the ORDER OF THE COURT IS THE FOLLOWING:

PARENTING TIME FOR THE NON-RESIDENTIAL PARENT SHALL TAKE PLACE AT SUCH TIMES AND PLACES AS THE PARTIES CAN AGREE (*these are the most important words*). This shall not normally be less than:

1. Weekends

Beginning on a specific date (_____), every other weekend from Friday night at 7 p.m. to Sunday night at 7 p.m.

2. Mid-week

In addition, the child(ren) shall spend a minimum of one weekday parenting time as follows:

For a child not yet in Kindergarten, 5 p.m. to 7:30 p.m.
For a child in Kindergarten - 8th grade, 5 p.m. to 8 p.m.
For a high school student, 5 p.m. to 9 p.m.

If there is more than one child, the hour of return shall be the hour for the youngest child. If the parents cannot agree on a day, the day for the mid-week parenting time is Wednesday.

3. Holidays

NOTE: Holidays take priority over ANY other parenting time, including routine (weekends and mid-weeks), birthdays, school breaks, and vacations.

Parents may wish to change by agreement a holiday at least one week in advance in order to observe family or religious traditions. If not changed by agreement, holiday times are as follows:

	<u>Even-Numbered Years</u>	<u>Odd-Numbered Years</u>	<u>As Agreed, OR</u>
Easter	Father	Mother	Sun. 10 a.m. - 7 p.m.
Mother's Day	Mother	Mother	Sun. 10 a.m. - 7 p.m.

Christmas Day	Father	Mother	12/24, 10 p.m. - 12/25, 9 p.m.
New Year's Eve/Day	Mother	Father	12/31, 5 p.m. - 1/1, 9 p.m.

4. Birthdays and Other Days of Special Meaning

- a. Child's Birthday: The child's birthday shall be spent with the mother in the even-numbered years, and with the father in the odd-numbered years. If the parties cannot agree, the time is 10 a.m. to 8 p.m., for a child not in school on the birthday, and 5 p.m. to 8 p.m., for a child in school on the birthday. Siblings attend the birthday event. The other parent can celebrate on another date.
- b. Parent's Birthday: Each parent may have the child(ren) on his/her birthday. If the parties cannot agree, the time will be from 10:00 a.m. until 8:00 p.m. for children not in school on the birthday, and 5:00 p.m. until 8:00 p.m. for children in school on the birthday.

If a child's birthday and a parent's birthday fall on the same day (or if both parents have the same birthday), parties should abide by the schedule for the child's birthday.

- c. **The Court recognizes that parties' traditions, culture, and religion may impact parenting times. These other days of special meaning, family traditions, 3-day weekends, etc., should be discussed in advance and written into the Court order.**

5. School Breaks

NOTE: The schedule for Winter Break coincides with the holiday schedule for Christmas Eve/Day and New Year's Eve/Day. The schedule for Spring Break *usually* coincides with the holiday schedule for Easter.

- a. In the even-numbered years, Father shall have the entire Spring Break. In the odd-numbered years, Mother shall have the entire Spring Break.
- b. In the even-numbered years, Mother shall have Winter Break until December 24 at 10 p.m. Father shall have from December 24 at 10 p.m. until the end of the break. In the odd-numbered years, Father shall have Winter Break until December 24 at 10 p.m. Mother shall have from December 24 at 10 p.m. to the end of the break.
- c. The break begins at 7:00 p.m. on the last day of school before the break and ends at 7:00 p.m. the night before school resumes. It is understood that not all the schools of children in the same family will necessarily have the same break.
- d. Children not yet in mandatory education (Kindergarten) do not follow the break schedule unless they have older, school-aged siblings who will be going for the break.

6. Vacation

- a. Each parent is entitled to four (4) weeks of vacation each year (in addition to school breaks and holidays). Each must notify the other sixty (60) days in advance of the scheduled vacation. NOTE: This shall only apply if your Court order does not already specify a summer parenting time schedule. In the event both parties, using proper advance notice, request the same dates, the non-residential parent's choice of vacation has priority [unless the residential parent's vacation is an annual mandatory shut-down of the place of employment, or unless the residential parent is required by an employer to give more than sixty (60) days' notice of intent to take a vacation and the non-

residential parent has no similar requirement. If both parents have mandatory shut-downs which overlap, they should split the vacation time equally].

- b. Vacation may be exercised during the school year provided the vacationing parent (1) can get the child(ren) to school, or (2) can ensure that the child(ren)'s attendance/academic requirements are met.
- c. Summer school necessary for the child to pass to the next grade must be attended. Vacation may be scheduled by either parent during a mandatory summer school period, but the child must complete all classes.
- d. Each parent must provide the other parent with destination, times of arrival and departure, and method of travel as soon as it is known, but at least two (2) weeks in advance, if the vacation will be outside the parent's community.
- e. Only weekends may be made up if missed due to the other parent's vacation. Make-up time should be exercised within thirty (30) days, at a time agreed upon by the parties or, if there is no agreement, on a weekend chosen by the parent receiving the make-up time.

7. Parenting Time Presumptions

a. Basis for Schedule

This parenting plan presumes that the father and the mother are good parents and that a child is safe with either parent, based on the evidence before the Court; that the father and the mother respect the right of their child(ren) to have two parents throughout the child(ren)'s life for nurturing, continuity, normal development, and emotional and economic support; and the father and mother each respects the right of the other to parent their child(ren).

During and after a divorce, there is often a crisis period in which families are under great stress because of loss, conflict, and change. Mental health professionals uniformly agree that the children who "do best" are from families who maintain a low level of conflict and an appropriate level of co-parenting communication. The absence of conflict is even more critical than the amount of time either parent spends with the child(ren). However, children feel most loved and clearly benefit from continued *positive* relationships with both parents.

For any schedule to succeed, parents should be flexible based upon the changing needs of the child(ren) over the years.

b. Keeping the Children Together

This schedule presumes that if the parents have more than one child, the parenting time will be exercised with all children together.

c. Child's Response to Parenting Time

Children of divorce grow up to be as normal and healthy as children whose parents are not divorced if the parents communicate well, if both parents continue regular contact with the child(ren), and avoid the use of anger in front of the child(ren) when dealing with the other parent.

It is normal when parents first separate for a child to have a strong emotional reaction at exchange times saying good-bye to one parent. Parents need to know that the emotional response is quite natural, and that each parent needs to calmly reassure the child that he or she will see the other parent soon. Parents should understand that this response by the child does not mean that the child does not love the other parent, or wishes not to spend time with the other parent. The length of the adjustment will vary.

If a child indicates strong opposition to being with the other parent, it is the responsibility of each parent to appropriately deal with the situation by calmly talking to the child as to the child's reasons, to work with the other parent to do what is in the child's best interests, and particularly to avoid confrontation or unpleasant scenes. If the matter is not settled, either parent should seek the immediate assistance of a mental health professional, court counselor or file a motion. As uncomfortable as this issue may be for a parent, this issue should not go unresolved. IT IS THE ABSOLUTE AFFIRMATIVE DUTY OF THE RESIDENTIAL PARENT TO MAKE CERTAIN THAT HIS OR HER CHILD GOES FOR THE PARENTING TIME.

d. Making Parenting Time Routine

This schedule presumes that the non-residential parent shall be there for all the parenting time (i.e., Weekends, Mid-weeks, Holidays, Birthdays/Other Days of Special Meaning, and School Breaks) and that no advance notice to the residential parent is necessary (except for Vacation). The residential parent shall have the child(ren) ready to go.

e. Missing Parenting Time

The non-residential parent must give notice of intent NOT to have parenting time as soon as he or she is aware that it is not possible. A parent who does not exercise parenting time forfeits the time. Since the schedule presumes ordinary parenting times will be spent with the child(ren), non-canceled time where the parent fails to appear upsets the child(ren) considerably, as well as the residential parent. A parent who continually fails to keep his or her commitment to parenting time may have rights modified and may be subject to other legal remedies upon motion by the residential parent.

f. Make-up Time for Rescheduled Parenting Time

A parent may only cancel the other parent's parenting time as specified under the Vacation section of this schedule. However, if the parties agree to modify the schedule to accommodate an extenuating circumstance, make-up time should be given/taken within thirty (30) days at a time agreed upon by the parties or, if there is no agreement, at a time chosen by the parent receiving the make-up time.

g. Transportation

Each parent shall be responsible for providing the transportation at the BEGINNING of his/her parenting time. If unavailable, that parent must arrange for another licensed driver well-known to the child(ren) for this purpose. All child restraint laws must be complied with by any person driving with the child(ren). No person transporting the child(ren) may be under the influence of drugs or alcohol.

Unless otherwise ordered, the parent ENDING his/her parenting time must have the child(ren) available for pick-up at his/her home or at the daycare or childcare provider's home. If the child(ren) is at school or a regularly scheduled activity at the time of pick-up, the parent BEGINNING parenting time shall pick up the child(ren) from the school or activity. The residential parent is responsible for making the necessary notifications and signing any necessary permission slips/releases related to the pick-up or drop-off.

h. Promptness

This schedule presumes that each parent will be prompt for exchanges of the child(ren), and that the parents will ready the child(ren) emotionally and physically for the parenting time. The residential parent has no duty to wait for the non-residential parent to pick up the child(ren) longer than thirty (30) minutes, unless the non-residential parent notifies the residential parent that she/he will be late, and the residential parent agrees to remain available after the thirty (30) minute waiting period. A parent who is more than thirty (30) minutes late loses the parenting time. A parent who has a pattern of lateness may have rights modified.

i. Communication Between Parents

IT IS THE RESPONSIBILITY OF THE PARENTS, NOT THE CHILDREN, TO MAKE ALL PARENTING TIME ARRANGEMENTS. Neither parent should communicate with a child about the schedule or about future events or activities which conflict with allotted times. It is not the responsibility of a child to mediate or become involved in parental differences over times, dates, or activities. If parents have temporary difficulty communicating about the needs of their child(ren), they should seek assistance from a neutral third party or a professional and not enlist the child to resolve their inability to talk to each other.

When Parents Do Not Communicate With Each Other

Parents temporarily may use other adults to make arrangements for parenting time. But the best solution is to seek professional help to learn or improve the ability to work together for the child(ren)'s best interests. Failing to get the cooperation of the other parent to enter counseling, a parent should call the court counselor or file a motion with the Court to order counseling to resolve this very serious problem before the damage to the child becomes irreversible.

j. Communication Between Parent and Child

Each parent has the right to talk over the telephone with the child(ren) as often as the parents agree. If the parents do not agree, then the non-possessory parent should have telephone privileges once per day. Phone calls should take place during the normal hours a child is awake, and if the child is unavailable for conversation, each parent shall take the responsibility of seeing that the child timely returns the call.

Note that due to ongoing, rapid changes in technology (i.e., text messaging, email, Skype, Facebook, Twitter, other social media/networking sites, etc.), not every conceivable situation can be anticipated or addressed. However, the Court strongly recommends parents consider the age and maturity of their child(ren) and cooperate to make joint decisions regarding the purchasing and use of cell phones and any other technology which may affect communication between a parent and a child. Any likely areas of dispute should be discussed in advance and written into the Court order.

Regarding discipline, a parent may rescind the use of a child's cell phone or other technology as a form of discipline without violating a Court order. However, this shall not interfere with the child's regular communication with the other parent.

k. Discipline and Changes in Child's Behavior

It is presumed that parents use methods of discipline consistent with the law and consistent with each other as much as possible, and will communicate with each other if a child is becoming a discipline problem.

Parents need to discuss behavior problems and solutions with each other as the need arises. Parents who have major disagreement over appropriate discipline or solutions to their child's problems and cannot resolve their disagreement should seek the assistance of a court counselor or mental health professional. Examples of times for concern are decline of a child's grades, serious or chronic problems at school, dramatic changes in behavior, or delinquency, to name a few.

l. Child's Records

(1) Both parents are entitled by law to equal access to their child(ren)'s daycare, school, and medical records unless limited by Court order.

- (2) The residential parent is responsible for taking all necessary action for all recordkeeping purposes to use the birth or adopted name only.
- (3) School Records: The residential parent must list the non-residential parent as a parent of the child and as an emergency contact for the child (unless limited by Court order), and must authorize the school to release to the non-residential parent any and all information concerning the child. The residential parent also must provide the non-residential parent with any and all passwords necessary to access the child's academic and extracurricular information online. If the non-residential parent is unable to access the information directly, the residential parent is responsible to personally provide copies of every grade card within five (5) days of receipt, and must personally inform the non-residential parent of all school notices or special activities (i.e., parent-teacher conferences, honors programs, athletic events, school pictures, graduation events, or any other activity in which the child is involved) as soon as she/he receives notice. The child should not be used to deliver the information.
- (4) Medical Records/Consultation: The residential parent shall, upon request by the non-residential parent, immediately comply with whatever action is required, including the signing of a full release, to provide access to any medical, dental, hospital, surgical, optometric, or mental health records of the minor child.

m. Illness or Injury of a Child

No schedule can adequately spell out what should be common sense when dealing with an ill or injured child.

If a child becomes ill or injured, warranting the giving of medication or consultation with a doctor or dentist, each parent must notify the other parent as soon as possible. There is a presumption that a child will go for parenting time even if ill unless the parties agree otherwise. The residential parent MUST provide written instructions and sufficient medication to last during the parenting time. Additionally, any allergy or chronic condition suffered by a child also must be communicated in writing from the residential to the non-residential parent, including specifics regarding medication or treatment recommended for the illness or condition. The non-residential parent must care for the child as directed, discussing with the residential parent if the child's condition worsens or does not improve as might reasonably be expected.

If the parents agree to cancel the parenting time due to the child's illness or injury, then the time must be made up within thirty (30) days to the non-residential parent at a time agreed upon by the parties or, if there is no agreement, at a time chosen by the non-residential parent. If another child is also scheduled to have parenting time, then the regular schedule must go on with that child.

n. Schoolwork

A parent must provide time for any child to study, complete homework assignments, papers, or other school assigned projects, even if the completion of this work interferes with the parent's plans with the children. If schoolwork is assigned by the school prior to the parenting time, the residential parent must inform the other parent of the work to be done, and it must be completed.

o. Children's Activities

Scheduled parenting time periods shall not be delayed or denied because a child has other scheduled activities (with friends, work, lessons, sports, etc.). It is the responsibility of the parents to discuss activities important to the child in advance, including time, dates, and transportation needs, so that the child is not deprived of activities and maintaining their friends. If the activities are regularly scheduled, they should be agreed upon in advance and written into the judgment entry or decree. Both parents are encouraged to attend all their child's activities. If the scheduling of activities is not under the control of either parent, both parents will be expected to take the child(ren) to or arrange transportation for activities occurring during their parenting time. Each

parent is entitled by law to equal access to the activities of their child(ren), unless limited by Court order.

p. Clothing

The residential parent is responsible for providing sufficient, appropriate, clean clothing, based on the lifestyle of the residential parent and child. If the planned activities during parenting time require special or unusual clothing needs, the non-residential parent must notify the residential parent at least two (2) days in advance. If the child does not have the type of clothing requested, the residential parent is under no obligation to comply with the request. All clothing sent by the residential parent MUST be returned immediately after the parenting time.

q. Address and Telephone Numbers

Each parent must, unless the Court orders otherwise, keep the other informed of his or her current address and telephone number, and an alternate telephone number in the event of an emergency.

r. Moving

Either parent must notify the other, and the residential parent must also notify the Court, at least thirty (30) days in advance of their intent to change their residence, and provide a new address and telephone number within ten (10) days of establishing a new residence. If the parents are less than 150 miles apart after the move, the local parenting time schedule applies. If the parents are more than 150 miles apart after the move, the long distance parenting time schedule applies. The Ohio Department of Job and Family Services must also be notified pursuant to the Court's Additional Order and Notice to Parties.

If the residential parent moves or gives notice of intent to move the child away from the area, the non-residential parent may file a motion objecting to the move and the Court will address the issue.

s. Parents' Work Schedule

This schedule presumes that the parents are available for full weekends and mid-week parenting time. If the non-residential parent is regularly employed every weekend and chooses not to exercise parenting time on the weekend, the parents should agree in advance about the day and time for parenting time. If the parties cannot agree, either may wish to consult with the court counselor or file a motion.

t. Traditions and Family

This schedule is in no way meant to interfere with family traditions. Each parent is encouraged to respect each other's family traditions and to adjust the parenting time schedule accordingly. Each parent should expect new traditions will develop. It is expected that the child(ren) will continue contact with grandparents, aunts, uncles, cousins, and any other family members during such times as they are with their parents.

u. Step-parent's Name

A parent should not, nor permit any other person to suggest, encourage, or require a child to refer to any person other than the child's parents as "mom" or "dad", etc.

v. Newborn Child(ren)

This schedule might not apply to a newborn or very young child whose sense of time differs from an older child. A newborn needs briefer, more frequent contact with a parent not living in the same household than this schedule specifies. Parents need to exercise more flexibility in scheduling times for a newborn and very young child, and may need to consult with the child's physician and/or court counselor in the event they do not agree.

w. Teenagers

A regular routine of parenting time may become more difficult as a child ages, has more activities outside of the family unit, obtains a driver's license, dates, works, and spends time with friends, as the parents allow a young adult more freedom of choice generally. The parents need to respect their teenager opting to spend time more with friends or in organized activities, and less time with each parent, especially weekends and summer holidays. Maximum flexibility in scheduling is absolutely necessary for a child of this age. Within limits, it is advisable to consider the teenager's wishes, as long as the parents agree. If the parents are unable to resolve scheduling conflicts, they may wish to consult with a court counselor or file a motion.

x. Non-compliance with Court Order

Any of the responsibilities or rights outlined in this schedule may be enforced by the Court after the filing of the appropriate motion by either party. Note that a parent may not deny parenting time because the other parent does not pay child support or refuse to pay child support because the other parent denies parenting time.

Penalties for the Parent Who Willfully Fails to Comply With This Schedule

A parent who willfully fails to comply with this schedule may be found guilty of contempt of Court. The first penalty is a fine not to exceed \$250 and a jail sentence not to exceed thirty (30) days, the second penalty is a fine not to exceed \$500 and a jail sentence not to exceed sixty (60) days, the third penalty is a fine not to exceed \$1,000 and a jail sentence not to exceed ninety (90) days. The Court may also assess attorney fees and Court costs. Other remedies available may include an order for make-up parenting time, an order for the reimbursement of transportation costs, an order for the appointment of (and payment for) a guardian ad litem for the minor child.

y. Modifying this Order

The Court reserves the right to modify this schedule after a motion by either party.

GLOSSARY

"Curb-side Exchange" - a legal term always written specifically into the Court order. The non-residential parent is prohibited from entering upon the property of the residential parent to exchange the child(ren), the residential parent must remain inside the home, and there must be no communication during the exchange of the parents' child(ren). The process of curb-side exchange means the non-residential parent (at the specified parenting time) parks in front of the residential parent's residence and honks the horn to notify the residential parent to send the child(ren) to the non-residential parent's car. The residential parent shall immediately send the child(ren) to the car, making certain the driver is well-known to the child(ren) (if the driver is not the other parent) and watch the child(ren) enter the car and leave. Upon return after the parenting time, the non-residential parent parks in front of the residential parent's home, honks the horn to signal that the child(ren) are returning, and watches the child(ren) return to the residence.

"Parenting Time" - a legal term meaning the time set aside for the non-residential parent to parent his or her child(ren) without any legal restriction except as to time. Court-imposed. Restrictions to parenting time are always written specifically into the Court order.

"Supervised Parenting Time" - a legal term meaning the time set aside for the non-residential parent to parent his or her child(ren) with legal restrictions as to time, place, and neutral party who is always present with the child(ren) during the parenting time.

APPENDIX C

November 15, 2015

ALLOCATION OF PARENTAL RIGHTS AND RESPONSIBILITIES

LOCAL PARENTING TIME SCHEDULE

**COURT OF COMMON PLEAS OF LUCAS COUNTY, OHIO
DIVISION OF DOMESTIC RELATIONS**

If the Court order or decree indicates that the Court schedule is the order for parenting time, then the ORDER OF THE COURT IS THE FOLLOWING:

PARENTING TIME FOR THE NON-RESIDENTIAL PARENT SHALL TAKE PLACE AT SUCH TIMES AND PLACES AS THE PARTIES CAN AGREE (*these are the most important words*). This shall not normally be less than:

1. Weekends

Beginning on a specific date (_____), every other weekend from Friday night at 7 p.m. to Sunday night at 7 p.m.

2. Mid-week

In addition, the child(ren) shall spend a minimum of one weekday parenting time as follows:

For a child in Kindergarten - 8th grade, 5 p.m. to 8 p.m.
For a high school student, 5 p.m. to 9 p.m.

If there is more than one child, the hour of return shall be the hour for the youngest child. If the parents cannot agree on a day, the day for the mid-week parenting time is Wednesday.

3. Holidays

NOTE: Holidays take priority over ANY other parenting time, including routine (weekends and mid-weeks), birthdays, school breaks, and vacations.

UNLESS AGREED OTHERWISE, PARENT 1 = PLAINTIFF AND PARENT 2 = DEFENDANT.

Parents may wish to change by agreement a holiday at least one week in advance in order to observe family or religious traditions. If not changed by agreement, holiday times are as follows:

New Year's Eve/Day	Parent 2	Parent 1	12/31, 5 p.m. - 1/1, 9 p.m.

*If applicable

4. Birthdays and Other Days of Special Meaning

- a. Child's Birthday: The child's birthday shall be spent with Parent 2 in the even-numbered years, and with Parent 1 in the odd-numbered years. If the parties cannot agree, the time is 10 a.m. to 8 p.m., for a child not in school on the birthday, and 5 p.m. to 8 p.m., for a child in school on the birthday. Siblings attend the birthday event. The other parent can celebrate on another date.
- b. Parent's Birthday: Each parent may have the child(ren) on his/her birthday. If the parties cannot agree, the time will be from 10:00 a.m. until 8:00 p.m. for children not in school on the birthday, and 5:00 p.m. until 8:00 p.m. for children in school on the birthday.

If a child's birthday and a parent's birthday fall on the same day (or if both parents have the same birthday), parties should abide by the schedule for the child's birthday.
- c. **The Court recognizes that parties' traditions, culture, and religion may impact parenting times. These other days of special meaning, family traditions, 3-day weekends, etc., should be discussed in advance and written into the Court order.**

5. School Breaks

NOTE: The schedule for Winter Break coincides with the holiday schedule for Christmas Eve/Day and New Year's Eve/Day. The schedule for Spring Break *usually* coincides with the holiday schedule for Easter.

- a. In the even-numbered years, Parent 1 shall have the entire Spring Break. In the odd-numbered years, Parent 2 shall have the entire Spring Break.
- b. In the even-numbered years, Parent 2 shall have Winter Break until December 24 at 10 p.m. Parent 1 shall have from December 24 at 10 p.m. until the end of the break. In the odd-numbered years, Parent 1 shall have Winter Break until December 24 at 10 p.m. Parent 2 shall have from December 24 at 10 p.m. to the end of the break.
- c. The break begins at 7:00 p.m. on the last day of school before the break and ends at 7:00 p.m. the night before school resumes. It is understood that not all the schools of children in the same family will necessarily have the same break.
- d. Children not yet in mandatory education (Kindergarten) do not follow the break schedule unless they have older, school-aged siblings who will be going for the break.

6. Vacation

- a. Each parent is entitled to four (4) weeks of vacation each year (in addition to school breaks and holidays.) Each must notify the other sixty (60) days in advance of the scheduled vacation. Note: This shall only apply if your Court order does not already specify a summer parenting time schedule.

In the event both parties, using proper advance notice, request the same dates, the non-residential parent's choice of vacation has priority [unless the residential parent's vacation is an annual mandatory shut-down of the place of employment, or unless the residential parent is required by an employer to give more than sixty (60) days' notice of intent to take a vacation and the non-residential parent has no similar requirement. If both parents have mandatory shut-downs which overlap, they should split the vacation time equally.]

- b. Vacation may be exercised during the school year provided the vacationing parent (1) can get the child(ren) to school or (2) can ensure that the children's attendance/academic requirements are met.
- c. Summer school necessary for the child to pass to the next grade must be attended. Vacation may be scheduled by either parent during a mandatory summer school period, but the child must complete all classes.
- d. Each parent must provide the other parent with destination, times of arrival and departure, and method of travel as soon as it is known, but at least two (2) weeks in advance, if the vacation will be outside the parent's community.
- e. Only weekends may be made up if missed due to the other parent's vacation. Make-up time should be exercised within thirty (30) days, at a time agreed upon by the parties or, if there is no agreement, on a weekend chosen by the parent receiving the make-up time.

7. Parenting Time Presumption

a. Basis for Schedule

This parenting plan presumes that both parents are good parents and that a child is safe with either parent, based on the evidence before the Court; that both parents respect the right of their child(ren) to have two parents throughout their life for nurturing, continuity, normal development, and emotional and economic support; and each respects the right of the other to parent their child(ren).

During and after a divorce, there is often a crisis period in which families are under great stress because of loss, conflict, and change. Mental health professionals uniformly agree that the children who "do best" are from families who maintain a low level of conflict and an appropriate level of co-parenting communication. The absence of conflict is even more critical than the amount of time either parent spends with the children. However, children feel most loved and clearly benefit from continued *positive* relationships with both parents.

For any schedule to succeed, parents should be flexible based upon the changing needs of the children over the years.

b. Keeping the Children Together

This schedule presumes that if the parents have more than one child, the parenting time will be exercised with all children together.

c. Child's Response to Parenting Time

Children of divorce grow up to be as normal and healthy as children whose parents are not divorced if the parents communicate well, if both parents continue regular contact with the child(ren), and avoid the use of anger in front of the child(ren) when dealing with the other parent.

It is normal when parents first separate for a child to have a strong emotional reaction at exchange times saying good-bye to one parent. Parents need to know that the emotional response is quite natural, and that each parent needs to calmly reassure the child that he or she will see the other parent soon. Parents should understand that this response by the child does not mean that the

child does not love the other parent, or wishes not to spend time with the other parent. The length of the adjustment will vary.

If a child indicates strong opposition to being with the other parent, it is the responsibility of each parent to appropriately deal with the situation by calmly talking to the child as to the child's reasons, to work with the other parent to do what is in the child's best interests, and particularly to avoid confrontation or unpleasant scenes. If the matter is not settled, either parent should seek the immediate assistance of a mental health professional, court counselor or file a motion. As uncomfortable as this issue may be for a parent, this issue should not go unresolved. IT IS THE ABSOLUTE AFFIRMATIVE DUTY OF THE RESIDENTIAL PARENT TO MAKE CERTAIN THAT HIS OR HER CHILD GOES FOR THE PARENTING TIME.

d. Making Parenting Time Routine

This schedule presumes that the non-residential parent shall be there for all the parenting time (i.e., Weekends, Mid-weeks, Holidays, Birthdays/Other Days of Special Meaning, and School Breaks) and that no advance notice to the residential parent is necessary (except for Vacation). The residential parent shall have the child(ren) ready to go.

e. Missing Parenting Time

The non-residential parent must give notice of intent NOT to have parenting time as soon as he or she is aware that it is not possible. A parent who does not exercise parenting time forfeits the time. Since the schedule presumes ordinary parenting times will be spent with the child(ren), non-canceled time where the parent fails to appear upsets the child(ren) considerably, as well as the residential parent. A parent who continually fails to keep his or her commitment to parenting time may have rights modified and may be subject to other legal remedies upon motion by the residential parent.

f. Make-up Time for Rescheduled Parenting Time

A parent may only cancel the other parent's parenting time as specified under the Vacation section of this schedule. However, if the parties agree to modify the schedule to accommodate an extenuating circumstance, make-up time should be given/taken within thirty (30) days at a time agreed upon by the parties or, if there is no agreement, at a time chosen by the parent receiving the make-up time.

g. Transportation

Each parent shall be responsible for providing the transportation at the BEGINNING of his/her parenting time. If unavailable, that parent must arrange for another licensed driver well-known to the child(ren) for this purpose. All child restraint laws must be complied with by any person driving with the child(ren). No person transporting the child(ren) may be under the influence of drugs or alcohol.

Unless otherwise ordered, the parent ENDING his/her parenting time must have the child(ren) available for pick-up at his/her home or at the daycare or child care provider's home. If the child(ren) is at school or a regularly scheduled activity at the time of pick-up, the parent BEGINNING parenting time shall pick up the child(ren) from the school or activity. The residential parent is responsible for making the necessary notifications and signing any necessary permission slips/releases related to the pick-up or drop-off.

h. Promptness

This schedule presumes that each parent will be prompt for exchanges of the child(ren), and that the parents will ready the child(ren) emotionally and physically for the parenting time. The residential parent has no duty to wait for the non-residential parent to pick up the child(ren) longer than thirty (30) minutes, unless the non-residential parent notifies the residential parent that he/she

will be late, and the residential parent agrees to remain available after the thirty (30) minute waiting period. A parent who is more than thirty (30) minutes late loses the parenting time. A parent who has a pattern of lateness may have rights modified.

i. Communication Between Parents

IT IS THE RESPONSIBILITY OF THE PARENTS, NOT THE CHILDREN, TO MAKE ALL PARENTING TIME ARRANGEMENTS. Neither parent should communicate with a child about the schedule or about future events or activities which conflict with allotted times. It is not the responsibility of a child to mediate or become involved in parental differences over times, dates, or activities. If parents have temporary difficulty communicating about the needs of their child(ren), they should seek assistance from a neutral third party or a professional and not enlist the child to resolve their inability to talk to each other.

When Parents Do Not Communicate With Each Other

Parents temporarily may use other adults to make arrangements for parenting time. But the best solution is to seek professional help to learn or improve the ability to work together for the child(ren)'s best interests. Failing to get the cooperation of the other parent to enter counseling, a parent should call the court counselor or file a motion with the Court to order counseling to resolve this very serious problem before the damage to the child becomes irreversible.

j. Communication Between Parent and Child

Each parent has the right to talk over the telephone with the child(ren) as often as the parents agree. If the parents do not agree, then the non-possessory parent should have telephone privileges once per day. Phone calls should take place during the normal hours a child is awake, and if the child is unavailable for conversation, each parent shall take the responsibility of seeing that the child timely returns the call.

Note that due to ongoing, rapid changes in technology (i.e., text messaging, email, Skype, Facebook, Twitter, other social media/networking sites, etc.), not every conceivable situation can be anticipated or addressed. However, the Court strongly recommends parents consider the age and maturity of their child(ren) and cooperate to make joint decisions regarding the purchasing and use of cell phones and any other technology which may affect communication between a parent and a child. Any likely areas of dispute should be discussed in advance and written into the Court order.

Regarding discipline, a parent may rescind the use of a child's cell phone or other technology as a form of discipline without violating a Court order. However, this shall not interfere with the child's regular communication with the other parent.

k. Discipline and Changes in Child's Behavior

It is presumed that parents use methods of discipline consistent with the law and consistent with each other as much as possible, and will communicate with each other if a child is becoming a discipline problem.

Parents need to discuss behavior problems and solutions with each other as the need arises. Parents who have major disagreement over appropriate discipline or solutions to their child's problems and cannot resolve their disagreement should seek the assistance of a court counselor or mental health professional. Examples of times for concern are decline of a child's grades, serious or chronic problems at school, dramatic changes in behavior, or delinquency, to name a few.

I. Child's Records

- (1) Both parents are entitled by law to equal access to their children's daycare, school, and medical records unless limited by Court order.
- (2) The residential parent is responsible for taking all necessary action for all record keeping purposes to use the birth or adopted name only.
- (3) School Records: The residential parent must list the non-residential parent as a parent of the child and as an emergency contact for the child (unless limited by Court order), and must authorize the school to release to the non-residential parent any and all information concerning the child. The residential parent also must provide the non-residential parent with any and all passwords necessary to access the child's academic and extracurricular information online. If the non-residential parent is unable to access the information directly, the residential parent is responsible to personally provide copies of every grade card within five (5) days of receipt, and must personally inform the non-residential parent of all school notices or special activities (i.e., parent-teacher conferences, honors programs, athletic events, school pictures, graduation events, or any other activity in which the child is involved) as soon as he/she receives notice. The child should not be used to deliver the information.
- (4) Medical Records/Consultation: The residential parent shall, upon request by the non-residential parent, immediately comply with whatever action is required, including the signing of a full release, to provide access to any medical, dental, hospital, surgical, optometric, or mental health records of the minor child.

m. Illness or Injury of a Child

No schedule can adequately spell out what should be common sense when dealing with an ill or injured child.

If a child becomes ill or injured, warranting the giving of medication or consultation with a doctor or dentist, each parent must notify the other parent as soon as possible. There is a presumption that a child will go for parenting time even if ill unless the parties agree otherwise. The residential parent MUST provide written instructions and sufficient medication to last during the parenting time. Additionally, any allergy or chronic condition suffered by a child also must be communicated in writing from the residential to the non-residential parent, including specifics regarding medication or treatment recommended for the illness or condition. The non-residential parent must care for the child as directed, discussing with the residential parent if the child's condition worsens or does not improve as might reasonably be expected.

If the parents agree to cancel the parenting time due to the child's illness or injury, then the time must be made up within thirty (30) days to the non-residential parent at a time agreed upon by the parties or, if there is no agreement, at a time chosen by the non-residential parent. If another child is also scheduled to have parenting time, then the regular schedule must go on with that child.

n. Schoolwork

A parent must provide time for any child to study, complete homework assignments, papers, or other school assigned projects, even if the completion of this work interferes with the parent's plans with the children. If schoolwork is assigned by the school prior to the parenting time, the residential parent must inform the other parent of the work to be done, and it must be completed.

o. Children's Activities

Scheduled parenting time periods shall not be delayed or denied because a child has other scheduled activities (with friends, work, lessons, sports, etc.). It is the responsibility of the parents to discuss activities important to the child in advance, including time, dates, and transportation

needs, so that the child is not deprived of activities and maintaining their friends. If the activities are regularly scheduled, they should be agreed upon in advance and written into the judgment entry or decree. Both parents are encouraged to attend all their child's activities. If the scheduling of activities is not under the control of either parent, both parents will be expected to take the child(ren) to or arrange transportation for activities occurring during their parenting time. Each parent is entitled by law to equal access to the activities of their child(ren), unless limited by Court order.

p. Clothing

The residential parent is responsible for providing sufficient, appropriate, clean clothing, based on the lifestyle of the residential parent and child. If the planned activities during parenting time require special or unusual clothing needs, the non-residential parent must notify the residential parent at least two (2) days in advance. If the child does not have the type of clothing requested, the residential parent is under no obligation to comply with the request. All clothing sent by the residential parent MUST be returned immediately after the parenting time.

q. Address and Telephone Numbers

Each parent must, unless the Court orders otherwise, keep the other informed of his or her current address and telephone number, and an alternate telephone number in the event of an emergency.

r. Moving

Either parent must notify the other, and the residential parent must also notify the Court, at least thirty (30) days in advance of their intent to change their residence, and provide a new address and telephone number within ten (10) days of establishing a new residence. If the parents are less than 150 miles apart after the move, the local parenting time schedule applies. If the parents are more than 150 miles apart after the move, the long distance parenting time schedule applies. The Ohio Department of Job and Family Services must also be notified pursuant to the Court's Additional Order and Notice to Parties.

If the residential parent moves or gives notice of intent to move the child away from the area, the non-residential parent may file a motion objecting to the move and the Court will address the issue.

s. Parents' Work Schedule

This schedule presumes that the parents are available for full weekends and mid-week parenting time. If the non-residential parent is regularly employed every weekend and chooses not to exercise parenting time on the weekend, the parents should agree in advance about the day and time for parenting time. If the parties cannot agree, either may wish to consult with the court counselor or file a motion.

t. Traditions and Family

This schedule is in no way meant to interfere with family traditions. Each parent is encouraged to respect each other's family traditions and to adjust the parenting time schedule accordingly. Each parent should expect new traditions will develop. It is expected that the child(ren) will continue contact with grandparents, aunts, uncles, cousins, and any other family members during such times as they are with their parents.

u. Step-parent's Name

A parent should not, nor permit any other person to suggest, encourage, or require a child to refer to any person other than the child's parents as "mom" or "dad", etc.

v. Newborn Child(ren)

This schedule might not apply to a newborn or very young child whose sense of time differs from an older child. A newborn needs briefer, more frequent contact with a parent not living in the same household than this schedule specifies. Parents need to exercise more flexibility in scheduling times for a newborn and very young child, and may need to consult with the child's physician and/or court counselor in the event they do not agree.

w. Teenagers

A regular routine of parenting time may become more difficult as a child ages, has more activities outside of the family unit, obtains a driver's license, dates, works, and spends time with friends, as parents allow a young adult more freedom of choice generally. The parents need to respect their teenager opting to spend time more with friends or in organized activities, and less time with each parent, especially weekends and summer holidays. Maximum flexibility in scheduling is absolutely necessary for a child of this age. Within limits, it is advisable to consider the teenager's wishes, as long as the parents agree. If the parents are unable to resolve scheduling conflicts, they may wish to consult with a court counselor or file a motion.

x. Non-compliance with Court Order

Any of the responsibilities or rights outlined in this schedule may be enforced by the Court after the filing of the appropriate motion by either party. Note that a parent may not deny parenting time because the other parent does not pay child support or refuse to pay child support because the other parent denies parenting time.

Penalties for the Parent Who Willfully Fails to Comply With This Schedule

A parent who willfully fails to comply with this schedule may be found guilty of contempt of Court. The first penalty is a fine not to exceed \$250 and a jail sentence not to exceed thirty (30) days, the second penalty is a fine not to exceed \$500 and a jail sentence not to exceed sixty (60) days, the third penalty is a fine not to exceed \$1,000 and a jail sentence not to exceed ninety (90) days. The Court may also assess attorney fees and Court costs. Other remedies available may include an order for make-up parenting time, an order for the reimbursement of transportation costs, an order for the appointment of (and payment for) a guardian ad litem for the minor child.

y. Modifying this Order

The Court reserves the right to modify this schedule after a motion by either party.

GLOSSARY

"Curb-side Exchange" - a legal term always written specifically into the Court order. The non-residential parent is prohibited from entering upon the property of the residential parent to exchange the child(ren), the residential parent must remain inside the home, and there must be no communication during the exchange of the parents' child(ren). The process of curb-side exchange means the non-residential parent (at the specified parenting time) parks in front of the residential parent's residence, honks the horn to notify the residential parent to send the child(ren) to the non-residential parent's car. The residential parent shall immediately send the child(ren) to the car, making certain the driver is well-known to the child(ren) (if the driver is not the other parent) and watch the child(ren) enter the car and leave. Upon return after the parenting time, the non-residential parent, parks in front of the residential parent's home, honks the horn to signal that the child(ren) are returning, and watches the child(ren) return to the residence.

"Parenting Time" - a legal term meaning the time set aside for the non-residential parent to parent his or her child(ren) without any legal restriction except as to time. Court-imposed. Restrictions are always written specifically into the Court order.

"Supervised Parenting Time" - a legal term meaning the time set aside for the non-residential parent to parent his or her child(ren) with legal restrictions as to time, place, and neutral party who is always present with the child(ren) during the parenting time.

ALLOCATION OF PARENTAL RIGHTS AND RESPONSIBILITIES

LONG DISTANCE PARENTING SCHEDULE
(For parents who live more than 150 miles apart)

COURT OF COMMON PLEAS OF LUCAS COUNTY, OHIO
DIVISION OF DOMESTIC RELATIONS

NOTICE OF INTENT TO EXERCISE PARENTING TIME:

Notice of intent to exercise parenting time must be provided in writing by the non-residential parent at least **thirty (30) days** in advance of the first day of the parenting time. The residential parent must acknowledge the notice within three (3) days of receipt.

If the Court order or decree indicates that the Long Distance Schedule is the order for parenting time, then PARENTING TIME FOR THE NON-RESIDENTIAL PARENT SHALL TAKE PLACE AT SUCH TIMES AND PLACES AS THE PARENTS CAN AGREE (these are the most important words). This shall not normally be less than the following:

1. **Summer Vacation:**

Summer vacation shall be from June 15 to July 31 of each calendar year. These dates cannot be changed except by agreement of both parties or a Court order.

2. **School Breaks:**

Even-numbered Years

Winter Break
First to last day of break.

Odd-numbered Years

Spring Break
First to last day of break.

Thanksgiving Break
First to last day of break.

WHILE NO SPECIFIC TIMES ARE SET FOR LONG DISTANCE EXCHANGES DUE TO THE NEED FOR FLEXIBILITY IN MAKING TRANSPORTATION ARRANGEMENTS, THE COURT DOES EXPECT PARENTS TO BE REASONABLE IN CONSIDERING THEIR CHILDREN'S NEEDS.

3. **Additional Parenting Times:**

- a. A once-a-month weekend beginning the third Friday of each month, unless agreed otherwise, if the traveling time for the child does not exceed three (3) hours one-way from home to home. The times are Friday at 7 p.m. to Sunday at 7 p.m. unless agreed otherwise. The residential parent must have at least one (1) week advance notice.
- b. Father's Day or Mother's Day may be spent with the designated parent. The residential parent must have at least one (1) week advance notice.
- c. The non-residential parent who visits the community where the residential parent lives is entitled to parenting time if she/he provides two (2) days advance notice to the residential parent. The parenting time may be outside the presence of the residential parent (unless prohibited by Court order).

- d. The residential parent who brings the child(ren) to the community where the non-residential parent lives must provide two (2) days advance notice and must provide parenting time between the non-residential parent and their child(ren) outside the presence of the residential parent (unless prohibited by Court order).

4. **Transportation:**

THE PARENT COMING INTO POSSESSION OF THE CHILD(REN) IS RESPONSIBLE FOR ARRANGING AND PAYING FOR THE CHILD(REN)'S TRANSPORTATION.

Transportation by Car: Any responsible adult with a valid driver's license well-known to the child(ren) may be utilized to provide transportation. All child restraint laws must be complied with by any person driving the child(ren). No person transporting the child(ren) may be under the influence of drugs or alcohol.

Transportation by Airplane: Airline regulations govern the age at which a child may fly unescorted. Airline reservations should be made well in advance and preferably be non-stop. The parent who is taking the child(ren) to the airport must call the other parent immediately upon departure to notify the other parent that the child(ren) will be arriving, and the parent who meets the child(ren) must immediately notify the other parent that they have arrived.

Note: Travel by methods other than car requires each parent to transport the child in a timely fashion to the transportation terminal for departure and pick up. Prior to making the decision on any method of transportation, parents should carefully consider the age of the child(ren), the safety of the child(ren) traveling alone, the child(ren)'s experience traveling alone, and whether an adult should chaperone the travel.

5. **Long Distance Parenting Time Presumptions:**

a. Basis for Schedule

This parenting plan presumes that both parents are good parents and that a child is safe with either parent, based on the evidence before the Court; that both parents respect the right of their child(ren) to have two parents throughout their life for nurturing, continuity, normal development, and emotional and economical support; and that each parent respects the other's right to parent their child(ren).

b. Keeping the Children Together

This schedule presumes that if the parents have more than one child, the parenting time will be exercised with all children together.

c. Child's Response to Long Distance Parenting Time

Children whose parents live at a considerable distance from each other grow up to be as normal and healthy as children whose parents live in the same community if the parents communicate well, if both parents continue regular contact with the child(ren), and if both parents avoid the use of anger in front of the child(ren) when dealing with or talking about the other parent.

It is normal for a child to have a strong emotional reaction when leaving the residential parent, and an equally strong reaction when leaving the non-residential parent. Parents need to know that this type of emotional response is quite natural and does not mean that the child does not love the other parent or wishes not to see him or her. Parents need to calmly reassure the child that he or she will see the other parent again. A healthy child should adjust to the situation.

Some parents are naturally concerned about a very young child being separated from the residential parent for the extended periods of time set by this schedule. So long as the non-residential parent has an established relationship with the child, the general rule is that the child should spend time with that parent and will adjust to new surroundings with the assistance of both

parents. Parents may obtain from the office of the court counselor special information on the unique needs of very small children during parenting time periods.

If a child indicates strong opposition to being with the other parent, it is the responsibility of both parents to calmly talk to the child as to the child's reasons, and to work together to do what is in the child's best interest, particularly avoiding confrontation or unpleasant scenes. If the matter is not settled quickly, either parent should seek the immediate assistance of a mental health professional or court counselor, or file a motion with the Court. No parent should allow a child to decide when or whether parenting time will take place. As uncomfortable as this problem may be for either parent, this issue should not go unresolved. IT IS THE ABSOLUTE, AFFIRMATIVE DUTY OF THE RESIDENTIAL PARENT TO MAKE CERTAIN THAT THE CHILD(REN) GO FOR ALL PARENTING TIME, AND THE RESIDENTIAL PARENT SHALL DISCUSS WITH THE CHILD(REN) IN ADVANCE OF THE PARENTING TIME THE IMPORTANCE OF THEIR CONTINUING RELATIONSHIP WITH THE OTHER PARENT.

d. Making Parenting Time a Routine

This schedule presumes that the non-residential parent shall exercise all parenting time periods so long as proper notice is given. The residential parent shall not schedule any plans for the child(ren) which interferes with the non-residential parent's time nor deny the rights set forth in this schedule to the other parent.

e. Missing Parenting Time

The non-residential parent must give notice of intent NOT to have parenting time, as soon as he or she is aware that parenting time is not possible. A parent who cancels parenting time forfeits the time. Since the schedule presumes ordinary parenting times will be spent with the child(ren), non-canceled time where the parent fails to appear upsets the child(ren) considerably, as well as the residential parent. A parent who continually fails to keep his or her commitment to parenting time may have rights modified, and may be subject to other legal remedies as well, upon motion by the residential parent. Likewise, a parent who denies Court ordered parenting time may have rights modified, and may be subject to other legal remedies as well, upon motion by the non-residential parent.

f. Exchanging the Child(ren)

This schedule presumes that the parents will not exchange the child(ren) before or after the scheduled time, unless the parents agree to do so in advance.

g. Summer School

Summer school which is necessary for a child to pass to the next grade must be completed online or attended at a school in the non-residential parent's school district after receipt of written notice from the residential parent. The non-residential parent must make arrangements with both schools and be certain that documentation of completion is received by the school in the residential parent's community.

h. Child's Activities

Scheduled parenting time must not be delayed because a child wishes to schedule other activities (with friends, work, lessons, sports, etc.) which conflict with the non-residential parent's parenting time. The residential parent shall not schedule or allow a child to schedule any event which conflicts with the times and dates herein, unless the parties agree otherwise. This schedule anticipates that the child will develop new friends and relationships, and have additional activities in a different community which are presumed to be beneficial to the child.

i. Child's Health

As a general rule, if a child is hospitalized or has a serious injury or illness, each parent should be notified. If the child becomes ill or injured while with the non-residential parent, the parent shall secure appropriate treatment and notify the residential parent. Additionally, any allergy or chronic condition suffered by a child must be communicated in writing from the residential to the non-residential parent, including specifics regarding medication or treatment prescribed for the illness or condition. Sufficient medication should be sent. THE NON-RESIDENTIAL PARENT MUST CARE FOR THE CHILD AS DIRECTED.

j. Clothing

The residential parent is responsible for providing sufficient, appropriate, clean clothing for the parenting time period. If planned activities require special or unusual clothing needs, the non-residential parent must notify the residential parent at least two (2) days in advance of the beginning of the period. If the child does not have the type of clothing requested, the residential parent is under no obligation to comply with the request. All clothing sent by the residential parent must be immediately returned at the end of the parenting time.

k. Communication Between Parents

IT IS THE RESPONSIBILITY OF THE PARENTS, NOT THE CHILDREN, TO MAKE ALL PARENTING TIME ARRANGEMENTS. Neither parent should communicate with a child about future events or activities which conflict with the other parent's allotted times. It is not the responsibility of a child to mediate or become involved in parental differences over times, dates, or activities. If parents have temporary difficulty communicating about the needs of their child(ren), they should seek assistance from a neutral third party or a professional and NOT enlist the child to resolve their inability to talk to one another.

When Parents Do Not Communicate With Each Other: Parents temporarily may use other adults to make arrangements for parenting time. But the best solution is to seek professional help to learn or improve the ability to work together for the child(ren)'s best interests. Failing to get the cooperation of the other parent to enter counseling, a parent should call the court counselor or file a motion with the Court to resolve this very serious problem before the damage to the child becomes irreversible.

l. Communication Between Parent and Child

This schedule presumes that frequent and liberal communication between the non-residential parent and the child(ren) is vital in place of regular physical contact which would be available if the parents lived nearer to each other. Unless the parties agree or the Court orders otherwise, there shall be no limit on the number and length of telephone calls (or contacts via letters, email, text messaging, Skype, Facebook or other social media, etc.) from either parent to the child(ren). Each parent must also allow all communication requested by the child(ren) to the other parent. (However, the Court retains the right to limit contact if it finds that it is not in the best interests of the child.)

Telephone calls should take place during the normal hours a child is awake, and if the child is unavailable for conversation, each parent shall take the responsibility of seeing that the child timely returns the call. If it is the practice of either parent to use a telephone answering device, the parents should agree in advance to calling at a designated time so that the call may be completed. Each parent must always provide a telephone number to the other parent where the child may be reached. The child must be allowed privacy by each parent for the purpose of communicating with the other parent. Each parent must also provide a home address to the other parent at all times, and must guarantee the child receives all letters, cards, emails, voicemails, gifts, etc. that are sent or forwarded as soon as they are received.

Note that due to ongoing, rapid changes in technology, not every conceivable situation can be anticipated or addressed. However, the Court strongly recommends parents consider the age and

maturity of their child(ren) and cooperate to make joint decisions regarding the purchasing and use of cell phones and any other technology which may affect communication between a parent and a child. Any likely areas of dispute should be discussed in advance and written into the Court order. Regarding discipline, a parent may rescind the use of a child's cell phone or other technology as a form of discipline without violating a Court order. However, this shall not interfere with the child's regular communication with the other parent.

m. Discipline and Changes in Child's Behavior

It is presumed that parents use methods of discipline consistent with the law and consistent with each other as much as possible, and that each will communicate with the other parent if the child is having a discipline problem. Parents need to discuss behavior problems and solutions with each other as the need arises. Parents who have major disagreements over appropriate discipline or solutions should seek the assistance of the court counselor or mental health professional. Examples of time for concern are a decline of a child's grades, serious or chronic school problems, dramatic changes in behavior, and delinquency, to name a few.

n. Child's Records

- (1) Both parents are entitled by law to equal access to their children's daycare, school, and medical records unless limited by Court order.
- (2) The residential parent is responsible for taking all necessary action for all recordkeeping purposes to use the birth or adopted name only.
- (3) School Records: The residential parent must list the non-residential parent as a parent of the child, and must authorize the school to release to the non-residential parent any and all information concerning the child. The residential parent also must provide the non-residential parent with any and all passwords necessary to access the child's academic and extracurricular information online. If the non-residential parent is unable to access the information directly, the residential parent is responsible to personally provide copies of every grade card within five (5) days of receipt, and must personally inform the non-residential parent of all school notices or special activities (i.e., parent-teacher conferences, honors programs, athletic events, school pictures, graduation events, or any other activity in which the child is involved) as soon as she/he receives notice. The child should not be used to deliver the information.
- (4) Medical Records/Consultation: The residential parent shall, upon request by the non-residential parent, immediately comply with whatever action is required, including the signing of a full release, to provide access to any medical, dental, hospital, surgical, optometric, or mental health records of the minor child. Both parents are entitled to equal access to their child(ren)'s records, unless limited by Court order.

o. Address and Telephone Numbers

Each parent must, unless the Court orders otherwise, keep the other informed of his or her current address and telephone number, and an alternate telephone number in the event of an emergency.

p. Moving

Either parent must notify the other in writing, and the residential parent must also notify the Court, at least thirty (30) days in advance of their intent to change their residence, and provide a new address and telephone number within ten (10) days of establishing a new residence. If the parents are less than 150 miles apart after the move, the local schedule applies. If the parents are more than 150 miles apart after the move, the long distance schedule applies. The Ohio Department of Job and Family Services must also be notified pursuant to the Court's Additional Order and Notice to Parties.

q. Traditions and Family

This schedule is in no way meant to interfere with family traditions. Each parent is encouraged to respect each other's family traditions and to adjust the parenting time schedule accordingly. Each parent should expect new family traditions will develop. It is expected that the child(ren) will continue contact with grandparents, aunts, uncles, cousins and any other family members during such times as they are with their parents.

r. Step-parent's Name

A parent should not, nor permit any other person to, suggest, encourage, or require a child to refer to any person other than the child's parents as "mom" or "dad", etc.

s. Non-compliance with Court Order

Any of the responsibilities or rights outlined in this schedule may be enforced by the Court after the filing of the appropriate motion by either party. Note that a parent may not withhold parenting time because the other parent does not pay child support or refuse to pay child support because the other parent denies parenting time.

Penalties for the Parent Who Willfully Fails to Comply With This Schedule:

A parent who willfully fails to comply with this schedule may be found guilty of contempt of Court. The first penalty is a fine not to exceed \$250 and a jail sentence not to exceed thirty (30) days, the second penalty is a fine not to exceed \$500 and a jail sentence not to exceed sixty (60) days, the third penalty is a fine not to exceed \$1,000 and a jail sentence not to exceed ninety (90) days. The Court may also assess attorney fees and Court costs. Other remedies available may include an order for make-up parenting time, an order for the reimbursement of transportation costs, an order for the appointment of (and payment for) a guardian ad litem for the minor child, etc.

t. Modifying this Order

The Court reserves the right to modify this schedule after a motion by either party.

APPENDIX E

MEDICAL SCHEDULE LUCAS COUNTY COMMON PLEAS COURT DOMESTIC RELATIONS DIVISION

1. The parent responsible for the cost of health insurance shall be specifically named in the Court order. The responsibility to maintain health insurance coverage shall continue until further order of the court or until the emancipation of the minor child.
2. When a parent obtains health insurance coverage they shall provide to the other parent a copy of the insurance cards, a copy of any benefits information, a list of health care providers if required under the policy, and any other necessary information or forms required by the insurance provider. Each parent shall promptly notify the other of any changes in the health insurance policy.
3. Definitions:
 - A. "Cash medical support" means an amount ordered to be paid in a child support order toward the ordinary medical expenses incurred during a calendar year.
 - B. "Ordinary medical expenses" are copayments and deductibles, and uninsured medical-related costs for the children of the order.
 - C. "Extraordinary medical expenses" are any uninsured medical expenses incurred for a child during a calendar year that exceed the total cash medical support amount owed by the parents during that year.
4. Each calendar year, it shall be the responsibility of the Recipient of cash medical support to pay the annual cash medical amount, for all ordinary medical expenses incurred, for each child.
5. After payment of the annual cash medical amount, per child, it is the responsibility of the Recipient to notify and to provide written proof to the other parent that the financial threshold has been met. Thereafter, each parent shall be responsible for payment of extraordinary medical expenses in the percentage amount set forth in their child support obligation. (Example, if the cash medical obligation is \$388.70 per child, per year, after the Recipient has paid \$388.70, per child, each parent will then be responsible for payment in the percentage amount set forth in their child support obligation. If the Recipient has an obligation of 60% of the total child support; the Recipient would be responsible for 60% of the medical expenses). If there is no child support order, the medical expenses shall be borne equally by the parents.
6. After the Recipient has met the annual cash medical amount for ordinary expenses, the Recipient shall notify the other parent in writing that future extraordinary expenses are to be prorated. Thereafter, the Recipient shall provide to the other parent within thirty days of the service or receipt of the billing for the expense, a copy of the bill. The other parent may schedule an independent evaluation within ten days of the written notice. Failure to promptly notify the other parent of extraordinary treatment may result in the court allocating the medical expense to the Recipient.
8. The court reserves jurisdiction to apportion all medical expenses as it may determine is in the best interest of the minor child.
9. The parents shall cooperate in the preparation of all insurance forms to obtain reimbursement or payment of expenses. The parents shall comply with the court's Additional Order and Notice to Parties.
